

# THE MINI CLUBMAN UNTOLD EDITION.

SOPHISTICATION WITH AN EDGE.

Distinguished, energetic and charming, the MINI Clubman Untold Edition delivers an understated functional style that is perfect for any adventure. Famous for its split rear doors and functional size, this special edition retains the elegant Clubman exterior design and embraces unique Untold Edition details. The MINI Clubman Untold Edition is available with a Cooper S petrol engine which really packs a punch and takes things up a gear.

Attention to detail has always been the MINI way and the MINI Clubman Untold Edition is no exception to this, featuring a host of distinctive design elements for both the exterior and interior. Sage Green metallic exterior paint is complemented by subtle centre bonnet and roof stripes in matt effect, crafted especially for this special edition. Instantly eye-catching, the Refined Brass front grille creates an impression of the MINI Clubman Edition that is hard to shake. Whilst the headlights and rear light rings, MINI logos and door handles in Piano Black lend a contrasting look and seal its charming expression. These colours can also be seen in the 18" Untold Spoke alloy wheels in two-tone, completing the assertive look of the MINI Clubman Untold Edition. Stylish elements, including the bespoke Untold logo on the Walknappa steering wheel add an effortlessly edgy look to the interior.
