

THE MINI HATCH, CONVERTIBLE AND MINI ELECTRIC RESOLUTE EDITION.

STYLE ICONS. GO-KARTING GENES.

Get ready to embrace the MINI spirit at unseen altitudes. Whether you crave that hot-hatch appeal, seek open ended adventure or fancy an electrified experience, the MINI Resolute Editions are true trailblazers that leave a lasting impression wherever they venture. Available across four models, MINI 3-door Hatch, 5-door Hatch, Convertible and MINI Electric, you'll find maximum driving excitement combines with classic MINI racing heritage and bold Resolute Edition design details. These special editions are based on the Exclusive style for Hatch and Convertible models, and on the Level 3 for MINI Electric.

Evoking classic racing car traditions and paying homage to the original MINI Connaught Green used on the Austin 1100, the MINI Resolute Edition models are finished in Rebel Green exterior paint. Also hinting to the heritage story behind this special edition, are the roof and mirror caps in Pepper White. Furthermore, the unique bonnet stripes feature tones of black and bronze, boldly enhancing the appearance of this special edition. Embracing a unique style of their own, the distinctive 18" Resolute Pulse Spoke alloy wheels in black add a polished and sporty look to the MINI Hatch and Convertible Resolute Edition models. Whilst the MINI Electric Resolute Edition model includes 17" MINI Electric Resolute Spoke alloy wheels in two-tone. Eye-catching design doesn't stop when you reach the interior. Sport seats upholstered in Light Chequered cloth, as well as the edition specific interior trim set the scene inside the MINI Resolute Edition models.

Bold details from head-to-toe and authentic style with a modern twist. There's more to discover than meets the eye with the MINI Resolute Edition models. Each special edition model has their own unique personality, now you can own a piece of the MINI heritage. So, what are you waiting for?

For engines and performance technical data please refer to the MINI 3-door and 5-door Hatch, the MINI Convertible and the MINI Electric brochures, visit mini.co.uk or ask your local MINI Retailer. Official Fuel Economy Figures for the MINI 3-door Hatch Resolute Edition range with Automatic transmission: Fuel consumption (combined): 46.3-50.4mpg (6.1-5.6l/100km). CO₂ emissions (combined): 138-126g/km. Manual transmission: Fuel consumption (combined): 44.1-50.4mpg (6.4-5.6l/100km). CO₂ emissions (combined): 144-126.

Official Fuel Economy Figures for the MINI 5-door Hatch Resolute Edition range with Automatic transmission: Fuel consumption (combined): 45.6-50.4mpg (6.2-5.6l/100km). CO₂ emissions (combined): 141-128g/km. Manual transmission: Fuel consumption (combined): 43.5-50.4mpg (6.5-5.6l/100km). CO₂ emissions (combined): 147-127.

Official Fuel Economy Figures for the MINI Convertible Resolute Edition range with Automatic transmission: Fuel consumption (combined): 44.1-47.1mpg (6.4-6.0l/100km). CO₂ emissions (combined): 146-137g/km. Manual transmission: Fuel consumption (combined): 44.1-47.1mpg (6.4-6.0l/100km). CO₂ emissions (combined): 146-137.

Official Fuel Economy Figures for the MINI Electric Resolute Edition: Electric energy consumption (weighted): 3.9-4.0 miles/kWh. CO₂ emissions: 0g/km. Pure Electric Range: 141-142 miles.

For plug-in hybrid vehicles these figures were obtained using a combination of battery power and fuel, for battery electric vehicles these figures were obtained after the battery had been fully charged. Plug-in hybrid and battery electric vehicles require mains electricity for charging. These figures were achieved using the WLTP test procedure. Figures shown are for comparability purposes. Only compare fuel consumption, CO₂, electric energy consumption and electric range figures with other cars tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the starting charge of the battery, accessories fitted (post-registration), variations in weather, driving styles and vehicle load.

Effective from November 2022. Prices and technical data shown are those in effect at the time of publishing and may alter periodically subject to product changes. Published in April 2023.
