

# THE NEW MINI COUNTRYMAN. ADVENTURE IS WAITING.

The new MINI Countryman is a versatile five-seater Sport Activity Vehicle. As big as it feels on the inside, the new Countryman is still a MINI through and through. Gliding through the city, coasting through the mountains – it's all effortless. It's just under 4.3 metres long, which means it has some serious luggage capacity in addition to ample legroom. New design features include changes to the front and rear bumper and to the front grille. The new MINI Countryman also comes equipped with a higher level of standard equipment than ever: Fully digital display cockpit, Navigation with 8.8" screen, LED headlights and rear lights... and more. Some exciting new options are also available, including new exterior colours, alloy wheels, upholsteries, and interior surfaces. The optional Piano Black Exterior now comes with extended contents, and the optional ALL4 Exterior Optic Pack is featuring a new look. With powerful engines and optional ALL4 all-wheel-drive, it tackles even the trickiest terrain with ease. So what are you waiting for? The world won't explore itself.

## PRICING. THE NEW MINI COUNTRYMAN MODELS STARTING FROM £24,495 OTR\*

Images show the new MINI Countryman Cooper S ALL4 Exclusive with optional Sage Green metallic exterior paint colour, roof and mirror caps in black, bonnet stripes in black, Piano Black Exterior, ALL4 Exterior Optic Pack and 19" Turnstile Spoke alloy wheels in two-tone. Official fuel economy figures for the new MINI Countryman range (excluding Plug-in Hybrid): Fuel consumption (combined): 34.4 – 44.8 mpg (8.2 – 6.3 l/100km); CO<sub>2</sub> emissions: 188 – 143 g/km. Figures are for comparability purposes; only compare fuel consumption and CO<sub>2</sub> figures with other cars tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the starting charge of the battery, accessories fitted (post-registration), variations in weather, driving styles and vehicle load. The CO<sub>2</sub> figures have been determined according to the WLTP test. WLTP has been used as the applicable CO<sub>2</sub> figure from 1 April 2020 for first year vehicle tax (VED) and from 6 April 2020 for company car tax (BIK). The CO<sub>2</sub> figures were previously based on the NEDC equivalent. \* Optional Piano Black Exterior comes with extended contents on the new MINI Countryman models, including headlights and rear lights surrounds, front grille frame, side scuttle (only on Cooper S / S ALL4 variants), model designation and door handles in Piano Black. Comfort Access System (keyless vehicle access) is also included. \* OTR price is based on the Recommended Retail Price (including VAT) and On The Road charges (including delivery and emergency service, vehicle first registration fee and VED costs). Prices and technical data shown are those in effect at the time of publishing and may alter periodically subject to product changes. Published in November 2020.
