

THE NEW MINI JOHN COOPER WORKS GP PACK. PACKAGE AVAILABLE ON MINI HATCH JOHN COOPER WORKS ONLY.

The new GP Pack, optionally available on MINI Hatch John Cooper Works, consists of a selection of exterior and interior design elements from the limited edition MINI John Cooper Works GP, including the unique Racing Grey metallic exterior paint colour. Additional options and packages can be added to your MINI Hatch John Cooper Works* in addition to the GP Pack, enabling you to create your own John Cooper Works experience in a truly unique car. So what are you waiting for? Select this package and get the visual elements of the MINI John Cooper Works GP on a MINI Hatch John Cooper Works that you can also personalise.

GP PACK CONTENT.

EXTERIOR:

- Racing Grey metallic exterior paint colour
- Melting Silver roof and mirror caps
- 18" Cup Spoke alloy wheels with MINI GP centre cap
- Piano Black Exterior with extended contents (lights surrounds, fuel filler cap, bonnet scoop, door handles, LED headlights inner elements)
- Black MINI logo badging
- Comfort Access System (keyless vehicle access)

INTERIOR:

- John Cooper Works sport seats with Dinamica/leather upholstery and GP seat badges
- GP door sill finishers
- GP floor mats
- GP steering wheel, including metal centre mark and shift paddles (when combined with Sport automatic transmission)

The GP Pack is only available on MINI Hatch John Cooper Works models. The GP Pack is not available in combination with Driving Assistant Pack. If the GP Pack is selected, features included in the pack can't be replaced with other options.

GP PACK PRICE: £2,000 (incl. VAT)

Images show the MINI John Cooper Works Hatch with optional GP Pack. *For more information about additional options available with your MINI Hatch John Cooper Works, please see the MINI Hatch price list or speak to your local MINI Retailer. Please note that none of the performance related features of the MINI John Cooper Works GP are present (such as wheels, tyres, carbon fibre wheel spats, GP spoiler, upgraded engine, suspension or brakes). The package is limited to 300 vehicles only.

Official fuel economy and CO₂ results for the MINI Hatch John Cooper Works model: Fuel consumption (combined) 38.7-40.4 mpg (7.3-7.0 l/100km); CO₂ emissions: 166-159 g/km. Figures shown are for comparability purposes; only compare fuel consumption and CO₂ figures with other cars tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted (post-registration), variations in weather, driving styles and vehicle load. The CO₂ figures shown above have been determined according to the WLTP test. WLTP has been used as the applicable CO₂ figure from 1 April 2020 for first year vehicle tax (VED) and from 6 April 2020 for company car tax (BIK). The CO₂ figures were previously based on the NEDC equivalent.

Prices and technical data shown are those in effect at the time of publishing and may alter periodically subject to product changes.

Published in October 2020.
