MINI NEVER STANDS STILL.

MINI UK reserves the right to introduce improvements or modifications to specifications or cost.
A visit to your MINI Retailer is the best way to keep up-to-date.

Prices and products shown in this brochure are subject to change or error without prior notice. Prices include VAT.

The images contained in this brochure feature both left and right hand drive vehicles and are intended for illustration purposes only.

Not all Accessories fit the MINI Countryman PHEV. Please ensure you are checking fitment with your local MINI Centre, or using the footnote on each page.

Unless stated prices exclude fitting and painting, where required.

Issued by MINI UK (a trading style of BMW (UK) Ltd), Summit ONE,
Summit Avenue, Farnborough, Hampshire, GU14 0FB.

COMMUNICATION AND TECHNOLOGY.

PLUGGED IN.

NEW MINI ADVANCED CAR EYE 2.0.

The MINI Advanced Car Eye is a highly sensitive, full-HD camera that allows critical driving situations to be captured and detailed videos to be recorded accurately from the cars perspective.

If anything hits the car, the camera starts to record, documenting any accidents or (attempted) break-ins. Light sensitive sensors ensure excellent recording quality both during the day and at night.

CHILD SEATS.

MINI baby and junior seats are soft and comfortable in everyday use, the integrated air pads provide additional protection in the event of side impact. ISOFIX technology makes the seat exceptionally safe because it eliminates the risk of the seat being incorrectly fitted in the vehicle. The covers are removable and washable at 30°C.

You can choose between the powerful fashion shade Vivid Green or the traditional Union Jack in a modern look. The MINI logo is printed on the outside of this high quality seat and has been set so that it is clearly visible outside the car too.

The price does not include fitting and is the responsibility of the vehicle owner. Each retailer can offer a fully trained technician to provide guidance and a free demonstration on how to correctly and safely install the child seat, however, the final installation is solely down to the vehicle owner.

CHILD RESTRAINT SYSTEM WITH ISOFIX BASE

The MINI Baby Seat Group 0+ and MINI Junior Seat Group 1 with ISOFIX are child seats with a systematic approach for babies and small children up to the age of around 4 years. The Baby Seat 0+ can be used with or without the ISOFIX base, whilst the Junior Seat 1 requires the base. Both seats have integrated air pads (patented), which provide additional head protection in the event of a side-on collision. In everyday use, the air pads are soft and comfortable.

CHILD RESTRAINT SYSTEM

The MINI Junior Seat 2/3, with its inclination matching the car seat, has been designed especially for children weighing between 15 and 36 kg and measuring 95 – 150 cm tall, making it ideal for children between the ages of around 3 and 12 years. The seat is secured using the car's three-point seat belt. The seat can also be secured using the integrated connectors to the ISOFIX anchor points in the car to ensure greater stability. Both seats have integrated air pads (patented), which provide additional protection for the head in the event of a side-on collision. In everyday use, the air pads are soft and comfortable.

Unless stated prices exclude fitting and painting, where required.

MINI'S COMMITMENT TO SUSTAINABILITY.

The progressive and ergonomically designed **MINI Wallboxes** are the ideal home charging solutions and fulfil the important requirements of safety, comfort and design. With the standard charging cable, you can fully charge your MINI at home via a conventional socket[^] in under eight hours (standard charging mode 2). When using the MINI Wallbox at your property, the lithium-ion high voltage battery can be charged in less than two hours (0–80%). Using the MINI Wallbox, the battery can be charged in 2.5 hours.

In addition to the extensive features of the MINI Wallbox Plus, the MINI Wallbox Connect adds further intelligent and interactive functionality.

For example, the MINI Wallbox Connect is fully Wi-Fi enabled for simple integration to home networks for use with the iV App. Providing feedback on charging status and a display of the power consumption every time the vehicle is charged, the iV App also allows presetting of the duration and volume of charging, and each vehicle

charging operation is easy to start and finish via smart-phone. The app is available for Apple iOS and Android devices.

A delivery, fitting and maintenance package for the MINI Wallbox is also offered via our partner, Chargemaster PLC at a cost of £570* (includes the MINI Wallbox Plus, Standard Installation, VAT and 3 year warranty). Installation packages are available for MINI Wallbox Connect, anticipated from July 2017, pricing to be confirmed. This installation service is managed by MINI and is customised to your specific requirements.

For responsible charging your MINI comes with a timer to aid charging at night, when renewable energy makes a higher proportion of the energy supply and when demand is at its lowest.

FOR FAST AND CLEAN CHARGING AT PUBLIC CHARGING STATIONS.

The **MINI Public Charging Cable** enables electric MINI vehicles to be charged faster at public charging stations (depending on the local electricity infrastructure) while the design ensures it is very easy to handle.

The **MINI Cable Bag** is the ideal addition for everyday use – the microfibre cloth supplied can be used to remove soiling from hands and cable, keeping the luggage space clean. The MINI Cable Bag is waterproof and its practical self-coiling properties make it quick and easy to handle.

*Subject to OLEV subsidy and qualification, which may be liable to change.

[^]It is advised that domestic electrical wiring is checked by a qualified electrician.

GENUINE MINI CHARGING.

MINI TRACKSTAR AND TRACKSTAR ADVANCE. AROUND THE CLOCK SURVEILLANCE FOR YOUR MINI.

KEEP IT SAFE WITH MINI TRACKSTAR.

Keep your MINI safe and sound from even the most tech-savvy car thieves with MINI Trackstar.

The only MINI-approved stolen vehicle recovery product that utilises GPS (Global Positioning Satellite), GSM (Global Systems for Mobile Communications) and an integrated motion detector, MINI Trackstar can reunite you with your MINI in as little as eight minutes.

If your MINI goes missing, the Trackstar Control Centre will be able to locate it 24 hours a day, 365 days a year so you can have complete peace of mind.

MINI TRACKSTAR CAT 6.

As soon as you switch the engine off, MINI Trackstar switches itself on, so if your MINI is stolen the Trackstar Control Centre can immediately pinpoint its position. Using state-of-the-art satellite technology, the Trackstar unit in your MINI will send an 'I'm here!' signal to the control centre every 20 seconds. The Trackstar Control Centre will work with the Police to get your MINI back any time of the day or night.

Cat 6

Fitted price from £399*

MINI TRACKSTAR CAT 6 ADVANCE.

The latest product in the range is Trackstar Advance which uses a clever electronic keytag to provide an advanced level of theft prevention. With MINI Trackstar Advance a key tag is needed as well as your usual car key. This connects to the in-car system and recognises you as the owner of the car, otherwise your MINI will refuse to start.

MINI CAR CARE PRODUCTS.

MINI Care Products are offered in a stylish racing look and the containers feature start numbers as a stylistic element, and are a real eye-catcher. The 1960s and nostalgic racing chic were an important inspiration in the development of new MINI Care Products, and underline the emotional value of the MINI brand.

JUST LIKE NEW.

PROTECT YOUR PAINTWORK AND INTERIOR FOR LIFE.

THE PROBLEM.

Spending time out and about in your MINI is one of life's pleasures, but every journey increases your car's exposure to a number of harsh environmental factors.

Thanks to the likes of airborne pollution, tree sap, UV rays, detergent and acid rain, regular erosion means that your MINI needs extra protection if you want it to keep its show-stopping shine.

But it's not just your paintwork that's under threat. Airborne dirt transferred by you, your family and pets into your car, means that your interior is at risk from staining too.

THE SOLUTION.

The products in the MINI Protect X range shield your paintwork from environmental nasties, and give your MINI that eye-catching glossy finish it deserves.

They also keep seat fabrics and carpets stain-free, and make sure leather stays soft and supple – but the benefits don't stop there. You will also be given a take-home car care kit containing a selection of cleaning items that will help keep your MINI in perfect condition.

So you can rest assured that your MINI, and its future resale value, stays protected.

GUARANTEED FOR LIFE.

MINI Protect X keeps your car looking like new, inside and out. Applied by experts, our new vehicle protection system does the following:

- Maintains that high-gloss showroom finish, wash after wash
- Guards your paintwork and interior
- Protects the future resale value of your MINI
- Enhances safety and visibility in wet driving conditions
- Includes a transferable Lifetime Guarantee for paint, leather and fabrics*

* There is an administration fee to pay to transfer the Lifetime Guarantee.

THE PERFECT FINISH.

CUSTOMER TAKE-HOME CAR CARE KIT.

But the benefits don't stop there. You will also be given a MINI branded take-home car care kit which contain a host of items including shampoo, wheel cleaner, interior care cloths and glass cleaner – everything you will need to keep your MINI in perfect condition.
